MISSIONS

Over 150 people came from 15 states to help us make this transformation in 2 weeks time. It truly is amazing what God's people can do when they have a mind to work. We have completely passed all rough in inspections and they started hanging drywall today. Our goal was to raise \$500,000 for this building. With the faithful giving of the people in Hope and our loving sister churches we are only \$25,000 away from that goal. God is truly amazing.

During the two-week build there was a tremendous buzz here in town. Many were asking questions and giving us complements, which gave us opportunities to witness and make invitations to church. One invitation was accepted by Mike. He came Sunday morning and in the huge crowd of workers I did not know he was a local visitor. He returned on Sunday night and rededicated his life to the Lord. He has been to services every week so far. Continue to pray as we labor here in Indiana!- The Bourlands
