MISSIONS

We're grateful for the steady progress Matthew has made in learning the Murkim language during our recent time in the village. Now that we're back in town, we're continuing linguistic study and preparing lessons for our return.

One major focus right now is taking steps toward forming a translation team. As we wait for baby Malachi's passport and visa, this season has given us a valuable opportunity to review what we've learned and plan wisely for the next stage. Thank you for praying with us through each part of the process.

We are excited to share that our family is planning a furlough from June through September 2026. We look forward to reconnecting with many of you and sharing what God has done since we left the U.S. in June 2023. Prayer requests: Safe travels/smooth visa process and guidance forming a transition team
