After a busy summer of outreaches, I'm thankful to finally be getting settled into our new home. I've been able to spend more time with family, reconnect with old friends, and share the Gospel with people in our community. Just a few weeks ago, I had the joy of seeing one of my neighbors come to faith in Christ. It has been encouraging to see God provide opportunities to share the Gospel right here in everyday life.

I've also begun my third year at Texas Baptist Institute and Seminary. I'm especially excited about this semester because many of my classes are focused on Bible interpretation and learning to study God's Word faithfully. I've also begun scheduling deputation appointments and would love the opportunity to visit your church, share the mission of the OBP (Outreach Bible Project), and tell you what God is doing through the ministry.
