MISSIONS

THE THOMPSON'S INDONESIA

One of the greatest blessings of our work is helping the Murkim translation team understand biblical stories so they can accurately translate them into their own language. We use pictures, videos, drawings, role-playing, and plenty of discussion to explain difficult concepts and biblical truths. It takes time and creativity, but it is exciting to see these men grow in their understanding of God's Word and discover natural ways to express these truths in Murkim. Through their work, the Murkim people will have access to portions of Scripture in the language they understand best!

Please pray for wisdom as we determine the appropriate word for God in Murkim, as we test the translated stories with community members, and as our family prepares to return to the village in early December. Thank you for faithfully praying and partnering with us in this ministry!
