

Welcome to Hickory Hollow

Registration

Check-out time is 11am. Check-in after 1pm. Refunds will not be issued for early departures.

All spaces are assigned by the office. All guests and visitors of guests must register at the office. Guest or extra vehicle parking is permitted in guest parking area. No driving or parking on grass areas between sites. No parking in empty sites without permission from the office. There is a fee for visitors.

Laundry

Washers and dryers are available 24 hours. You can exchange bills for change at the office during office hours.

Pets

Pets are always welcome in RVs at Hickory Hollow. Please always have your pet on a maximum 6' leash while outside your RV. Pets must never be left unattended outside. Please pick-up after your pet wherever you are on the property. Pets are not allowed in any cabin, shower, office, laundry building, or inside the playground area. Aggressive dogs or excessive barking will not be tolerated, and you may be asked to leave.

Bee cool – follow the rules!

Campsites

No clotheslines, vehicle washing, mechanical work, generators, or loud noises including radios or TVs at your campsite. Quiet time is 10pm - 7am. Trash is to be placed in a sturdy plastic bag, tightly tied, and placed by the curb by 10am for pickup. No grills or fire pits within 10ft of any structure.

Campfires

Only allowed at sites where fire rings are provided. No flames should be taller than 2' above the ground. Please, NEVER leave fires unattended and always put out with water before leaving unattended.

Children

Parents are responsible for the safety and behavior of their children. Children must be always supervised by an adult in all areas of the park. Children are not allowed on other RV sites where guests are staying. All toys must be picked up and properly contained when finished being used.

Pond

No Swimming. Our pond is for enjoying a chance to catch a fish. All fish caught must be gently released back into the pond. Please be considerate of our anglers and never throw ANYTHING into the pond. No license required.

Free WiFi

Passwords on receipt. Please be considerate of other guests and do not download music, movies or large files, as this slows the service considerably for everyone. We do not guarantee connectivity or speed. We do not provide any security features and connection is at your own discretion and responsibility.

Utility Maintenance/Expenses

Sewer collars or donuts must be used with each hookup. Water regulators are recommended as the pressure can be high.

Residents are responsible for the cost and upkeep of all wires, pipes, gas, sewer, and other utility equipment from the utility's delivery point or, if utilities are provided by the Landlord, from the point of entry to the lot or the Resident's side of the meter, whichever is closer to the Resident's RV.

Emergencies or Severe Weather

In any emergency, dial **911**. Please also notify the office in person or by calling **620-326-8300**.

Hickory Hollow does **not** have outdoor warning sirens or a FEMA-approved storm shelter. The shower building is not an approved shelter but may offer more protection than your RV. Monitor weather reports closely and use your best judgment when seeking shelter.

Location: Sumner County, Kansas.

24 Hour Tornado Shelter

SUMNER REGIONAL MEDICAL CENTER

1323 North A St.
Southeast Basement Entrance - All pets in carriers
