

**CALIFORNIA STATE GAMES 2019 RESULTS - SURFING**  
**JULY 14, 2022 / OCEAN BEACH PIER, SAN DIEGO**

What a great day for the California State Games to kick off the 2022 Event with the sport of Surfing. After being off for 2 years due to COVID, everyone was excited to have the Games come to San Diego. Ocean Beach Pier was a great venue and we had a great turnout with over 100 competitors in 14 different divisions. We were so lucky to be on the arrival of a new south swell that delivered some outstanding waves with 3-4 foot glassy peaks. Everyone had a great time and a lot of good surfing was on display. Thank you to Surface Sun Systems for supplying some sun protection with sunscreen and sun sticks for the winners. A big thank you to OB Beans Coffee Roasters in Ocean Beach for arriving early and providing coffee for the parents and staff. It was so great to see the Ocean Beach community and businesses welcome us to their local beach.

Results are:

**Girls Shortboard 8 & Under**

1. Maya Williamson, San Juan Capistrano
