## Class Teacher

**Full time – September 2026**

**Open to ECT / RQT / Qualified Teaching Staff**

Kingsthorpe Village Primary is a one form entry primary school with 204 pupils currently on roll. The school has the advantage of being well resourced and has its very own Wellbeing Hub. Staff and pupil wellbeing remain a key driver at the school and both pupils and staff are highly conscientious and hardworking. KVPS is a great place to work and teacher vacancies at our school do not come around often. Parents and governors are highly supportive of the school and there exists a strong community spirit.

We are looking for a class teacher, full-time starting in September 2026. We are seeking a teacher who understands what learning is and can make it meaningful for all our children on a daily basis.

This is an exciting opportunity for a creative class teacher to join our fabulous team at KVPS. We can offer excellently behaved pupils who are resilient and enjoy their learning. Our children and teachers take pride in their school with our three key drivers being The Arts, Wellbeing and Initiative. We have a great range of staff expertise and experience across the school. We had our most recent OFSTED inspection in January 2026 and our outcome was 'Expected in All Areas'. Our curriculum is highly developed, inspiring and fun.

We are looking for someone who has a real passion for teaching and learning and wants to provide the best for our children. Quality CPD, coaching and access to genuine support from the senior leadership team is on offer alongside a friendly and highly caring ethos.

Kingsthorpe Village Primary School is committed to safeguarding and promoting the welfare of all children. All appointments are subject to successful Disclosure & Barring clearance, references and medical clearance. The school provides equal opportunities for all, please note that it is an offence to apply for the role if the applicant is barred from engaging in regulated activity relevant to children.

Please visit the school website to access the school's child protection policy and practices.
