Kingsthorpe village primary is a popular one form entry school, who received a judgement of 'Met all Standards' under the new framework from Ofsted in January 2026. KVPS is a forward thinking, innovative village primary school with 206 children on roll. The children and staff are highly motivated to learn and a joy to spend time with. Our three school drivers are, initiative, the arts and wellbeing and the school prides itself on its support for the children and all of its staff.

We are looking for an enthusiastic and caring lunchtime supervisor to join the current team. A love of playground games and a strong sense for keeping children safe is important. Our children are friendly and caring and our lunchtimes are fun for all. The school employs its own catering staff who cook hot meals from scratch. This is a golden opportunity to enjoy lunchtimes with the children and add value to our school.

The school is committed to safeguarding and promoting the welfare of children and safer recruitment practice. Where a role involves engaging in regulated activity relevant to children, please note that it is an offence to apply for the role if the applicant is barred from engaging in regulated activity relevant to children. The school reserves the right to carry out a search for shortlisted candidates on social media platforms and the internet, and the recruitment panel may take this information into consideration during the recruitment process.
