

English

In English, we will be focusing on description writing and then writing our own defeating the monster stories. We will also be writing instructions and information texts. Through our Talk for Writing units, we will explore a range of high-quality texts to support us to develop our writing.

Maths

We will be learning about the place value of two-digit numbers so that we can apply this to other areas of the maths curriculum. We will then move on to addition and subtraction where we will learn about formal methods as well as exploring related facts, adding and subtracting 10 and adding three numbers. We will then move on to geometry where we will explore the properties of 2D and 3D shapes.

History

We will be learning about Florence Nightingale and Mary Seacole and how nursing has changed and developed over time. We will learn about how these nurses have developed nursing and the challenges they faced. We will learn about what hospitals were like in the past and compare them to modern hospitals.

Science

In our science lessons, we will be learning about animals and humans. This will involve learning about what animals need for survival. We will also learn about how humans can stay healthy and the importance of exercise, a healthy diet and good hygiene. We will then learn about materials and their different uses and properties.

Geography

We will learn about where Florence Nightingale and Mary Seacole were from and where they travelled to to look after soldiers in the war.

Nurturing Nurses

Art/DT

In our art lessons we will be focusing on painting and 3D sculpture through our Beauty of Flowers unit. In DT we will be practising our weaving skills and we will be cooking.

RE

We will be learning about Islam. We will be exploring Muslims' beliefs and how they live. We will also be studying Christianity and learning about what they believe about Christmas.

Music

In our music lessons we will continue to use singing and a range of musical instruments. We will be focusing on call and response and musical storytelling.

ICT

In ICT, we will be learning how to navigate the internet to find information. We will also explore digital photography and practise our coding skills using Espresso Coding.

RHE

In our RHE lessons, we will be exploring the concept of 'Being Me' and 'Celebrating Difference'.

PE

In PE, we will be developing a range of skills through our lessons which will focus on fitness, dodgeball, basketball and dance.
