

Year 2 – Discover and Explore

	Write a list of things you would take on an expedition if you were an explorer.	If you were an explorer where would you go and why?	Write a diary of an explorer detailing the things you see and struggles you face
	Design a treasure map.	Print out a map and label it with explorers and where they went.	Write a set of instructions for find a specific location (maybe locally or at home).
	What food would you need to take if you were to go into space?	Design a set of clothes that an explorer might wear. This will differ depending on where they are going.	Research a British explorer and what they did/found.
	Look out of your window and draw the landscape you can see.	Collect natural materials and write your name. Take a photograph of the finished artwork.	Draw and/or write about a new plant or animal you might have discovered on your travels.
	Doodle Maths Two weeks in the green zone	Doodle Maths Four weeks in the green zone	Doodle Maths Six weeks in the green zone
	Read a book you have never read before	Write a book review or create a poster about a book you have read	Visit a library
