

Year 3 – Connected Curriculum

Spring Term

English

This term, we will be looking at two fiction texts, which is a meeting tale and a character flaw tale. They will also be looking at persuasive writing as our non-unit text.

Towards the end of the term, we will be learning our playscripts as we get ourselves ready for the Easter performance!

Geography

Children will be learning about the different countries that make up the continent of Europe, their features, languages and currencies. We will also be comparing two European capital cities. Children will also be learning about landmarks, rivers and mountains.

Europe

History

As our main focus will be Geography this term, we will be briefly finding out about the histories of some European countries and putting the main events onto a timeline.

Art and Design

For the second term, our focus will be on different cityscapes, with our focussed artist being Stephen Wiltshire. The skills we will be learning are drawing and painting. In DT, we will be looking at designing and creating our own bunting, focusing on cutting and sewing.

Science

In science, we will be finishing our topic of rocks, looking at soils. After that, we will be focusing on light (darkness, sunlight, reflection and shadows).

Maths

During this term we will be using White Rose Maths, focusing on:

- Multiplication and division,
- Measurement (length and perimeter),
- Fractions
- Measurement (Mass and capacity).

RE

- Diversity within Hindu Dharma: What do Hindus believe and how may they live?
- Why is Jesus such a special person to some religious people? How might this help Christians live a good life?

PE – Tag rugby and gymnastics

These activities will help them build coordination, confidence, and teamwork.

Jigsaw RHE – Dreams and Goals, Healthy Me

We will be looking at our individual dreams and goals for the future during our first unit. Then, we will be learning more about how to live a healthy lifestyle.
