

## Year 4 – Wild World – Spring Term

	Prime	Advancing	Deep
Writing	Write a poem linked to natural disasters. Examples include an acrostic, rhyming or shape poem.	Create a fact file about some of the biggest volcanic eruptions from around the world.	Imagine a sink hole opened up in the school field. Write a story about what you would find beneath the surface.
Reading	Write a letter to a friend about a book you've read explaining why they should also read it.	Book review. Read a new book and write a review of it. Think about the characters, the plot, the setting and don't forget to give your star rating!	Write a set of comprehension questions based on your story.
Number	Create a poster how to use a method for addition	Create a poster how to use a method for subtraction	Create your own code breaking activity using addition and subtraction calculations (see your teacher for more information).
Doodle Maths	Stay in the green 10 days	Stay in the green 20 days	Stay in the green 30 days
Spelling Shed	Complete 3 assignments on Spelling Shed	Complete 6 assignments on Spelling Shed	Complete 9 assignments on Spelling Shed
Create design	Design and create a piece of artwork inspired by natural disasters.	Design your own electrical invention. Explain what it does and draw its circuit.	Create a volcano top trumps card game comparing volcanoes from around the world
Theme	Produce a piece of work on Natural Disasters. You can present this work any way you like e.g. a poster, PowerPoint presentation, fact cards, diary entry, model or a board game. We will spend some time sharing ideas for this in class.		

Mr Foster would like to remind you that 8 pieces of homework are due to be completed by the end of Spring term. As the pupils learn more about natural disasters in class, this will help provide more ideas for the 'Theme' and 'Create Design' homework.
