

# Year 6 – Connected Curriculum

## Autumn Term

### Geography

Over the term, we will look at the continents of North and South America focusing on the countries, major cities, key human features and physical features including rivers and mountain ranges.

### English

We will have a heavy focus on grammar this term as well as looking at our Talk for Writing units. This will start with a short writing project focussing on description. We will also be applying what we have learnt in our independent writing.

### Science

Living things and their habitats - Looking at conditions for life, classifying animals, microorganisms and plants and the scientist Carl Linnaeus

Electricity- Constructing and drawing series circuits using symbols, looking at variations within circuits and exploring voltage

Renewable Energy -We will look at what renewable energy is and what it is used for.

## The Americas

### Art – cultural art

We will be focussing on folk art with particular focus on Indian folk art and Madhubani Indian art. We will look at the impact of colour and pattern before having a go at some Batik.

### Maths

**During this term we will focus on:**

**White Rose** – Place value; Addition; Subtraction; Multiplication; Division; Adding and subtracting fractions; Multiplying and dividing fractions; Fraction of number; Ordering fractions

### RE

Are science and religion in conflict when it comes to creation?  
What do Hindus believe about the cycle of life and death? How does it impact their lives?

### Music

**Our music units will be:**

Dynamics, pitch and texture – Fingal's Cave  
Songs of WWII

In addition, we will start to look at music notation

**PE – PE will be on a Friday with Mr Gwynne**

Football; Fitness; Cross Country

### RHE – Jigsaw

**Term 1** – Being me

**Term 2** – Celebrating differences

**ICT- ICT will be on a Friday with Mrs Tillman**

Online safety; Design a webpage; Espresso coding
