

# MISSOURI STREAM TEAM

*A volunteer network conserving Missouri streams*

## Renewing AAA Agreements

Adopt-An-Access Agreements can be easily renewed by e-mail, regular mail, or by phone confirming that both parties (the Adopter and the Area Manager) agree to renew the agreement for a specified term (2 or 3 years seems to work best).

If conditions of the Agreement stay the same, or are just slightly altered, the Area Managers can simply send an e-mail, or provide other documentation with the details of the renewal to the Stream Team Program at the contact listed below. However, if significant changes are made, a new agreement may be advisable.

Area Manager must submit the following renewal details: duration (expiration date), and added or altered duties. This information should be sent to the contact listed below, and will allow us to update our records to show the access is not available for adoption by others.
