Asphalt General is a general paving contractor offering a wide variety of services to Maryland, DC, and Northern Virginia. As one of the area’s leading asphalt paving/concrete contractors, we’ve acquired an excellent reputation within the industry. We provide thorough estimates and the highest quality in design consultation & product implementation. Organization, efficiency/speed, and quality control are the hallmarks of Asphalt General’s process. Customers have come to expect creative solutions to every project. We offer flexibility to work at night and/or on weekends. Due to our position within the industry, we work closely with the asphalt plants & suppliers to get the best pricing. Our goal is to build long-term partnerships with our Customers. As a woman owned, small local business, our many minority and small business certifications can help you meet your contract goals.
