

**Central Minnesota  
Age-Friendly Community of Learning**

**Building a Care-Inclusive Workplace:  
Supporting Older Adults & Caregivers in Our Workforce**

Monday, March 2, 2026

9:30 am - 11:00 am

Virtual Event

---

**Explore action around the evolving needs of older workers and  
employee caregivers in today's workforce to:**

- Understand workforce demographics and trends
- Identify common challenges faced by older workers and caregivers
- Explore effective employer practices

Presenters from CMCOA, Central Minnesota Job & Training Services (CMJTS), and Minnesota Department of Employment and Development (DEED) will discuss how the growing number of older adults and caregivers is reshaping the modern workforce. The session will also examine common challenges faced by these groups and conclude with how effective employer practices work to better support older workers and caregivers, offering actionable strategies to foster a more inclusive and resilient workplace.

**Registration by February 27:**
