

FY26 Reames Future Force Goals and Objectives

Goal 1: Improve academic performance.

1.1 A minimum of 65% of regularly attending students (students who have attended 90 hours or more) participating in the Future Force program will improve their English language arts class grades or maintain an A, B, or C in these classes.

1.2 A minimum of 65% of regularly attending students (students who have attended 90 hours or more) participating in the Future Force program will improve their mathematics class grades or maintain an A, B, or C in these classes.

Goal 2: Increase positive student school and work force behavior and attendance.

2.1 A minimum of 90% of regularly attending students (students who have attended 90 hours or more) participating in the Future Force program will be absent for 15 days or less based on school attendance reports.

2.2 A minimum of 65% regularly attending students (students who have attended 90 hours or more) participating in the Future Force program will demonstrate improvement in homework completion based on teacher surveys.

2.3) A minimum of 85% of regularly attending students (90 hours or more) participating in the Future Force program will attend a career exploration activity, job skills training class, and/or college and technical school visits during the year.

Goal 3: Increase family involvement.

3.1 The Future Force program will have a minimum of 100 family member visits at our parent education and involvement activities.

3.2 A minimum of 65% of the parents or guardians who have attended at least one family related session will indicate on surveys that they are satisfied with their child's 21st CCLC Future Force program.
