Dear Chalkwell Family,

As we draw the curtains on another fantastic year at our school, I just wanted to take a moment to express my heartfelt appreciation for every single one of you in our wonderful community. Parents, carers, family members, friends, visitors, and of course, my incredible staff team — thank you for your unwavering support.

But most importantly, to THE BRILLIANT CHALKWELL CHILDREN: what a year you've had! Your achievements have been nothing short of remarkable. I am continually inspired by your kindness, enthusiasm, curiosity, and, let's not forget, your fantastic sense of humour. After all your hard work, you all thoroughly deserve a well-earned break, and for some of you, exciting new adventures await in the year ahead.

To our amazing Year 6 pupils, know how deeply proud we are of you. You have been exemplary ambassadors for our school, and we eagerly anticipate your future successes. The way you have grown this year fills us with pride.

To the children in Years 2, 3, 4, and 5, we can't wait for all the excitement and adventures that next year will bring. There's so much to look forward to!

As we head into the summer, I wish you all a wonderful and safe break. Thank you for your incredible support throughout the year. Enjoy every moment!

Warm regards,

Andy Newnham

SCHOOL NEWS

Goodbye to Mrs Beck, Mrs Thompson & Mrs Weir

Today we said a fond farewell to Mrs Beck, Mrs Thompson and Mrs Weir who worked their last days at CHJS. We had a great send-off for them on Friday and were able to thank them for the fantastic contribution they given to our school over many years!

Mrs Beck will be retiring and will be spending lots of time with her family; Mrs Thompson will be taking up a new position in a local secondary school and Mrs Weir will be realising a long term ambition and relocating with her husband in the west country taking up a new position in a school there.

We consider ourself a Chalkwell Family and as three of our dearly loved staff 'fly the nest' we send them our love and best wishes in their new adventures. Like family, we will always be here waiting to hear lovely things about how they are getting on.

THANK YOU FOR EVERYTHING!

Goodbye to our Magnificent Year 6!

Today, we had the bittersweet pleasure of saying goodbye to our Year 6 children, our Class of 2025! What a wonderful group you are—resilient, fun, creative, and, most of all, extraordinarily kind. We are so proud of each one of you, today and every day you've been with us.

This morning, we held our whole school assembly and truly hope we gave you the send-off you deserve! It was a moment filled with memories, laughter, and a few tears, as we celebrated your journey through school. We will miss you dearly, but we know you are ready to embark on a new adventure in secondary school. As I concluded the assembly, I shared these inspiring words:

"And will you succeed? Yes! You will, indeed! (98 and $\frac{3}{4}$ percent guaranteed.) Kid, you'll move mountains! So...be your name Buxbaum or Bixby or Bray or Mordecai Ale Van Allen O'Shea, you're off to Great Places! Today is your day! Your mountain is waiting. So...get on your way!"

Lovely job, Year 6! Always aim high and keep smiling. You're off to do amazing things!

Letter to Year 6

Dear Year 6,

As your time at Chalkwell Hall Junior School draws to a close, I feel compelled to reach out and share a few thoughts with you. With just a few short days left, I wanted you to know how truly special you are as a cohort. Each of you brings something unique to our school community, and I have had the privilege of witnessing your individual journeys unfold over the past four years.

It's remarkable to think that we all arrived at Chalkwell Hall for the first time in September 2021, filled with excitement and a sense of endless possibilities. While you were undoubtedly bright-eyed and full of youthful enthusiasm, I remember feeling a touch nervous as well. I often wonder if you felt the same way. I know, for a few of you, the first day was overwhelming. But together, we have navigated these waters, learning and growing along the way.

You are the first true 'Newnham cohort', and this connection brings me immense joy. I am exceptionally proud of the young individuals you have become. My hope has always been to support you in every way possible, ensuring you experience all that you need before venturing into secondary school. It's hard to grasp the idea that soon, we won't be giving high-fives and fist pumps at the gate every morning.

Reflecting on your journey, I am in awe of how you have faced the myriad challenges life has thrown your way. You have shown incredible resilience, transforming obstacles into stepping stones for growth. Each of you has contributed your unique personality to our school, and I genuinely look forward to hearing about your future successes as you embark on the next chapter of your lives. You possess a wonderful array of talents and interests, whether it be writing captivating stories, excelling in football, demonstrating prowess in Mathematics, showcasing your artistic flair, becoming computer whizzes, or baking mouth-watering treats. There simply isn't enough space to list all your incredible skills here! Embrace these talents and build upon them. Dream big and aim high. If your ambitions evolve, don't be discouraged; it's perfectly alright to explore new paths. Life may present challenges that seem daunting, but remember to view them as opportunities for growth.

Remember, a positive mindset attracts positivity. Embrace mistakes as valuable learning experiences and pick yourself up to try again. Be brave in meeting new people and exploring activities outside your comfort zone. I encourage you not to confine yourselves to friendships with those who share all

23.7.2025 CHJS Newsletter

your interests; listen and embrace those who come from different backgrounds and have varied perspectives.

As you grow older, you will learn more about yourselves. Stay true to who you are. Never feel pressured to become someone you're not. Most importantly, have fun, smile, and spread joy to those around you. We will miss each one of you dearly, so do stop and say hello when you see us around!

I hope that as you look back on your time at Chalkwell Hall Junior School, you are filled with happy memories. Wishing you all the luck and success in the world as you take this exciting next step.

Warm regards,

Mr Newnham & everyone at Chalkwell Hall Junior School

Our focus this year has been enriching every child's experience of school. As funding continues to be reduced, it becomes increasingly difficult for our schools to provide basic cross-curricular resources and with the costs of living still high, we wanted to offer as much support and enrichment to every child as possible.

We are so proud to have been able to support our schools by offering additional resources and experiences that make a HUGE difference to our children's learning and development: academically, socially and emotionally.

The PTA have been able to fund new laptops for the infants, a movie afternoon, year group school trips, new Spanish, science, history, maths, RE, music & PSHE resources, books for the infants reading scheme, new SEN resources, new EYFS playground equipment, made the Christmas lunch extra special for every child, maintained our school mini bus and funded the Y6 leavers events!!!

We need you to help us organise another year of successful events, create great memories for our children at school, and fund exciting new projects.

PTA Elections 2025/2026

Waddle-On-Sea

Exciting news! Our beloved Lingo the Penguin—the Haven's Hospice penguin sponsored by our school—has officially arrived at his temporary home somewhere along the Waddle Trail in Southend, which launches today! Trail maps are available at various locations around Southend, or you can download the Waddle Trail app to track all the penguins. We were overjoyed by the incredible support and participation that made it possible for us to sponsor a penguin and contribute to the invaluable work of Havens Hospice. A huge thank you to everyone who helped raise the funds! Our very own penguin, Lingo, is extra special. He joyfully celebrates diversity, reminding us of the different cultures within our school community - our school motto 'If we believe, we will achieve' is written in all the different languages spoken in our school. With his amazing feathers, Lingo inspires friendship and unity, reminding us that kindness transcends differences.

We hope you all have a wonderful time on your penguin hunt and we can't wait to hear the children's stories and adventures as they search for Snowy. Happy waddling!

Top Tips for... MANAGING SCREEN TIME

According to the latest stats, people aged between 8 and 17 spend four hours on digital devices during an average day. Obviously, a new year is ideal for fresh starts and renewed efforts – so lots of families are trying to cut down their combined screen time right now, creating more moments to connect with each other and relying less on gadgets to have fun. Our top tips on reducing screen time are for everyone, so you can get your whole family involved in turning over a new leaf this year!

GET OUT AND ABOUT

If the weather's decent, spend some time in the garden or go for a walk. Even a stroll to the local shop would do: the main thing is getting some fresh air and a break from your screens.

BE MINDFUL OF TIME

Stay aware of how long you've been on your device for. Contrasting how much time you spend in potentially stressful areas of the internet – like social media platforms – can also boost your wellbeing.

TRY A TIMED TRIAL

When you're taking a screen break to do a different activity or a chore, turn it into a game by setting yourself a timer. Can you complete your task before the alarm goes off?

'PARK' PHONES OVERNIGHT

Set up an overnight charging station for everyone's devices – preferably away from bedrooms. That means less temptation for late-night scrolling.

GO DIGITAL DETOX

Challenge yourself and your family to take time off from screens, finding other things to do. You could start off with half a day, then build up to a full day or even an entire weekend.

SWITCH ON DND

Research shows that micro-distractions like message alerts and push notifications can chip away at our concentration levels. Put devices on 'do not disturb' until you're less busy.

LEAD BY EXAMPLE

Let your family see you successfully managing your own screen time. You'll be showing them the way, and it might stop some of those grumbles when you do want to go online.

TAKE A FAMILY TECH BREAK

Set aside certain times when the whole family puts their gadgets away and enjoys an activity together: playing a board game, going for a walk or just having a chat.

AGREE TECH-FREE ZONES

Nominate some spots at home where devices aren't allowed. Anywhere your family gathers together, like at the table or in the living room, could become a 'no phone zone'.

SOCIALISE WITHOUT SCREENS

When you're with friends, try not to automatically involve phones, TVs or other tech. Having company can be loads more fun if your attention isn't being split.

HOLD A SCREEN TIME AMNESTY

As a family, agree specific windows when it's OK to use devices. This should help everyone to balance time on phones or gaming with enjoying quality moments together.

WIND DOWN PROPERLY

Try staying off phones, consoles, tablets and so on just before you go to sleep. Reading or just getting comfy in bed for a while can give you a much more restful night.
