We have had a fantastic first week back after half term. It has been wonderful welcoming the children back after the break—despite the rather unsettled mix of rain and wind this week! Their positivity, energy and readiness to learn have been fantastic to see across the school.

We are now into the final half term of the academic year, and it is always one of the busiest and most exciting. We have so much to look forward to over the coming weeks, including next week:

- *Year 4 Residential and Activity Week*
 - *Borough Sports*
 - *Sports Day*
-

In addition, all year groups have begun new and engaging topics, designed to spark curiosity and inspire a real passion for learning. You can find out more about what your child will be learning this half term by visiting the links below:

- *Year 3: <https://www.chalkwellhall.co.uk/year-3-overview>*
 - *Year 4: <https://www.chalkwellhall.co.uk/year-4-overview>*
 - *Year 5: <https://www.chalkwellhall.co.uk/year-5-overview>*
 - *Year 6: <https://www.chalkwellhall.co.uk/year-6-overview>*

As we move through this final term, our focus is on finishing the year in style—continuing to support every child to achieve their very best and ensuring they feel confident and fully prepared for the next stage of their educational journey.

Thank you, as always, for your continued support.

Transition Arrangements – Summer Term

Transition planning for September is already well underway, with a clear focus on ensuring a smooth, positive experience for all children. Staff are working closely together to share information and plan carefully so that every child feels confident and supported for the next stage of their journey.

To help children begin building relationships with their new year group teams, we have arranged:

- **Friday 26th June** – An additional supervised play session where children will meet the staff within their new year group in an informal setting.
 - **Friday 3rd July** – ‘Meet the Teacher’ morning, where children will find out their new class and spend time with their teacher.
-

Further opportunities to meet year group teams will also be available for parents and carers' in early July.

These steps are designed to ensure that children feel reassured, excited and fully prepared for the year ahead.

A Message from the Children's Commissioner - Big Future Survey

As Children’s Commissioner, I’m writing to ask for your support in helping children at your school take part in my new survey, The Big Future.

Your pupils can take part here: <http://www.childrenscommissioner.gov.uk/thebigfuture>.

As many of your Year 6 pupils will have recently finished their SATs, this could be a great opportunity for them to reflect on their time at primary school and share their hopes and ideas for the future in their own words.

I want to hear from children aged 0–18 from every background, in every part of the country, and your support will help make that possible. I’m asking children about the things they enjoy, the challenges they face, the changes they want to see in their communities, and what they think a good childhood should look like today.

I would be hugely grateful if you could share the survey with pupils, parents and carers across your school community. Schools with particularly high participation rates will receive formal recognition for helping amplify children’s voices, along with a summary of their pupils’ responses, and an invite to my final Festival of Childhood.

Free school meal (FSM) eligibility

From September 2026, the Department for Education (DfE) will expand free school meal (FSM) eligibility to include all pupils from households receiving Universal Credit. This creates two categories:

- **Targeted FSM:** Based on the existing £7,400 income threshold
 - **Expanded FSM:** Covers meals only for pupils in households receiving Universal Credit who do not qualify for Targeted FSM
-

Free school meals are available to pupils who are, or whose parents are, in receipt of:

- Universal Credit
 - Support under Part VI of the Immigration and Asylum Act 1999
-

A pupil is only eligible if:

- A claim has been made, and
 - Eligibility has been verified by the school or local authority
-

5.6.2026 CHJS Newsletter

Households may also qualify if they:

- *Receive income-related Employment and Support Allowance*
 - *Receive the guarantee element of Pension Credit*
 - *Meet criteria set out in separate guidance for **families with no recourse to public funds***
-

See: **Free school meals: guidance for local authorities, local -authority-maintained schools, academies and free schools – GOV.UK**

Under the expanded scheme from September 2026, Southend-on-Sea City Council advises applying after 15 June 2026:

[Applying for free school meals / Southend-on-Sea City Council](#)

We strongly encourage eligible families to apply.

Please note:

- *Southend-on-Sea City Council cannot backdate claims to cover unpaid or previously paid costs*
 - *Foster children are not usually eligible, as fostering allowances are intended to cover meal costs*

Learning highlights this week!

Year 3

Year 3 has had a great first week back introducing our new topic of 'Do you Believe in Magic?', kicking off with two WOW days! We started to make our Harry Potter wands using Modroc and chopsticks. We had a Harry Potter themed treasure hunt and participated in a making potions lesson!

5.6.2026 CHJS Newsletter

In Geography, we are looking at 'Our European Neighbours' and where countries are in Europe. We have also introduced our new focus author for this term 'Jill Murphy'. We started by learning about her life and the different stories she has written.

Well done Year 3, a lovely start to the half term!

Year 4

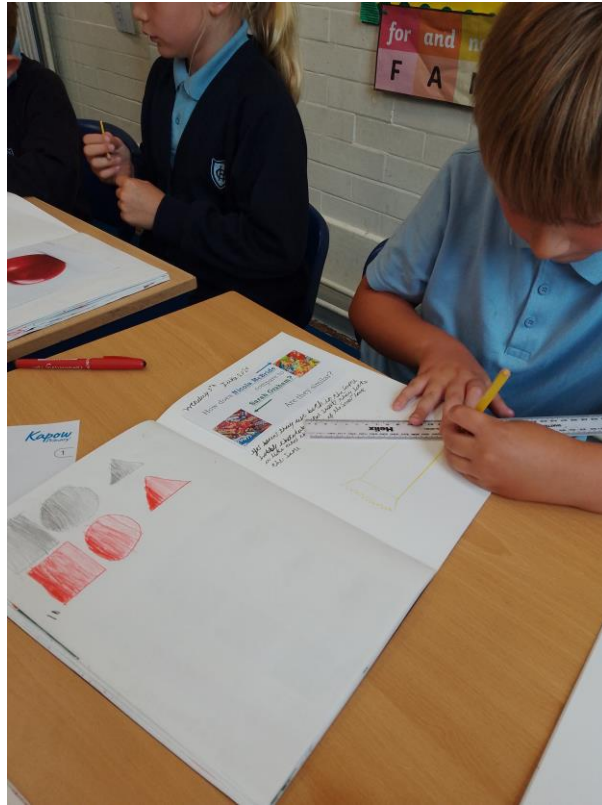

Year 4 have enjoyed a wonderful first week back, bursting with curiosity and enthusiasm. Our WOW Day set the tone brilliantly, giving us a captivating introduction to our new topic. The children were thrilled to delve into the rich and dramatic world of the Vikings. This term, we'll be exploring the big question: **Vikings – explorers or raiders?** A debate we're sure will spark plenty of lively discussion.

We've already been treated to some fantastic creative homework, including a Viking rune code-breaking, a Minecraft longboat fit for a Norse adventurer, and an impressive collection of Viking facts – some of which even surprised us! The children are eager to continue their learning and develop well-reasoned answers to our big question.

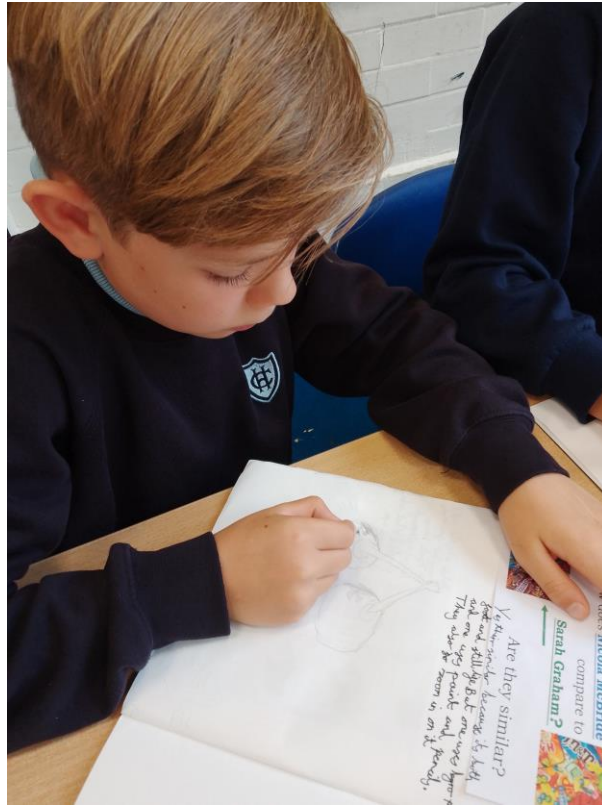

In art, we have begun our new unit on shade, tone, and proportion. The children have thoroughly enjoyed experimenting with these skills to create striking 3D effects. It's been a brilliant and creative start to the final term of Year 4.

Year 5

Year 5 have had a fantastic first week back, and it has been wonderful to see the children settling in with such enthusiasm and positivity. The highlight of the week was undoubtedly our Tudor WOW Days, which sparked lots of curiosity and excitement across the year group.

The children thoroughly enjoyed sewing their own Tudor peasant hats and money pouches, which they will be able to take with them on the exciting trip to Kentwell Hall. They also loved making Tudor finger puppets, completing famous portraits, and taking part in a lively mock Battle of Bosworth.

It has been a brilliant start to the term, full of creativity, teamwork and learning. Well done Year 5!

Year 6

Year 6 has had a busy and exciting week! On Monday, Year 6 enjoyed a special WOW Day to launch their learning about World War I. In the morning, the children watched War Horse, which helped them develop a deeper understanding of life during the war and the harsh realities faced by soldiers in the trenches. This experience inspired their English work, where they wrote detailed setting descriptions of Menin Road in Belgium, using all five senses to vividly capture the sights, sounds, smells, textures and emotions of the battlefield.

The children also designed personalised caps for their upcoming dance workshops, which forms part of our leavers' assembly video. Throughout the week, they enthusiastically participated in the workshops, learning choreography and working together to create a memorable performance to celebrate their time at primary school. What a fabulous first week back! Well done!
