Dear Parents and Carers,

RE: Autumn Term Clubs 2026

We are delighted to offer a wide range of extra-curricular clubs for the Autumn Term. These clubs provide children with fantastic opportunities to develop new skills, build confidence, stay active and enjoy experiences beyond the classroom.

The majority of our clubs are run by dedicated staff who generously give their time to provide additional opportunities for our pupils. We are incredibly grateful for their commitment and enthusiasm.

Club Start Dates

Clubs will begin during the week commencing **21st September 2026**.

Please note that some clubs may have different start or finish dates due to venue availability, external provider arrangements or half-termly programmes. Full details can be found in the club timetable.

Important Update – Club Charges

For many years, the school was able to offer clubs free of charge or at a heavily subsidised rate. However, due to rising costs associated with resources, administration and external providers, this is no longer financially sustainable.

From September 2026:

- Full-term clubs will cost **£20 per child, per club**
- Half-term clubs will cost **£10 per child, per club**

We have worked hard to keep fees as low as possible and believe they continue to offer excellent value for the opportunities provided.

Payment information will be shared once club places have been allocated.

Club Allocation Process

Our aim is to provide as many children as possible with the opportunity to participate in extra-curricular activities.

The online preference form will ask you to select your child's:

- First choice club
- Second choice club
- Third choice club

Please select a range of clubs wherever possible. Whilst we will do our very best to allocate children to one of their preferred clubs, **we are unable to guarantee that every child will receive one of their choices** due to the popularity of some clubs and the reduction in the number of clubs available this term.

Places will be allocated as fairly as possible to ensure opportunities are shared across the school.
Please do not select the same club more than once.

External Clubs

Some clubs are run independently by external providers and require separate registration. Information regarding these clubs will be provided separately.

Club Preference Form

The Autumn Term Club Preference Form will open at **7.00pm today** and close at **7.00pm on Friday 10th September 2026**.

Please note that submitting the form does not guarantee a place, as each club has limited capacity.

Parents and carers will be notified of successful allocations once the allocation process has been completed.

Thank you for your continued support. We are looking forward to another exciting term of opportunities for our pupils.

Kind regards,

Andy Newnham
