Dear Parents/Carers,

Re: Supporting Our Community with the Hungry Cupboard

We are thrilled to share some uplifting news from our school.

Last year, Mr Fleury had the pleasure of welcoming Dan and Matt from SVP Southend-on-Sea, a fantastic local charity dedicated to assisting those in need and vulnerable within our community.

During assemblies for both Upper and Lower School, Dan and Matt inspired us all with their presentation on "Turning Concern into Action." They introduced our very own **Hungry Cupboard**, a brilliant initiative designed to collect essential items for local families in crisis. Chalkwell Hall Junior School was the first of several schools to support this important initiative.

The cupboard, featuring stunning 3D designs crafted by a talented Year 6 pupil, will serve as a community collection point right here at Chalkwell. Here's how it works:

- Each week, the Hungry Cupboard will be hosted in a different classroom, starting with 5CF.
- Our pupils will gather priority items suggested by SVP and fill the cupboard.
- Once full, the contents will be delivered directly to SVP Southend, ensuring that our collective efforts make a significant impact.

The list of priority items needed is available below, and we encourage everyone to contribute as generously as possible. Together, we can make a difference!

This week, 5CF will set the ball rolling again and will be filling the cupboard all week.

Let's show our support and demonstrate the power of community spirit!

Kind regards,

Andy Newnham
