

Year 3 - Creative Homework

"Could you have survived the Stone Age?"

Aim to answer three of the questions over the half term
- you can present your ideas however you like.

If you have another question about our learning this half term that you would like to answer - go for it! Just remember to include the question within your finished piece.

History: Why was it called the Stone Age?

History: How are our lives different to our Stone Age ancestors?

History: How do we know how Stone Age people lived?

History: What creatures would Stone Age people have seen?

DT: What could you use to make a model of Stone Henge?

Science: How were different rocks used in Stone Age times?

PE: What does it take to be a hunter?

PSHE: Would you have liked to have been a child in Stone Age times and why?
