

# Year 3 - Creative Homework

## ‘What is life like in the rainforest?’

Please aim to complete three of the questions over the half-term.

You can present your ideas however you like!

Geography: What might a weather report for the Amazon Rainforest sound like? How would it compare to a weather report for the United Kingdom?

Geography: What would a world without trees be like? How would it be different?

PSHE: The author's letter says "Together we can make a difference". What could you do with others to improve things in your local area and around the world?

Science: Why is camouflage important to animals in rainforest?

English: What might an explorer visiting the Amazon Rainforest for the first time write in their diary?

Art: Look at photos and illustrations of the Amazon Rainforest. Can you use them as inspiration for your own art?

DT: How can you show the different levels of a rainforest through making a diorama or a model?

Science: What different plants grow in the rainforest?

*If you have another question about our learning this half term that you would like to answer - go for it! Just remember to include the question within your finished piece.*
