

Year 3 - Creative Homework

"Do you believe in magic?"

Choose three of the questions - you can present your ideas however you like!

If you have another question about our learning this half term that you would like to answer - go for it! Just remember to include the question within your finished piece.

English: How do magic tricks work? Learn a magic trick to perform to the class.

Art: How might you create an image of Hogwarts?

History: Which magician inspires you?

English: Could you create a spell that would change something in the world?

DT: What new tasty magical treat could be sold on the Hogwarts Express?

Science: How can you make an egg float on water?
<http://www.sciencekids.co.nz/experiments/floatingeggs.html>

English: Can you create your own fantastic beast? Then write a fact file to explain everything about it.
