

Year 5 Creative Homework

How does geography affect trade in Brazil?

First piece: 13.11.26

Second piece: 27.11.26

Third piece: 13.12.26

For your creative homework, we invite you to explore some of the questions below and present it to your class in whatever form you choose. For example, ***'How have Brazil's geography and trade connection influenced its music?'***

For this, you might choose to present to the class a PowerPoint about African influences on Samba or to research the history of a Brazilian instrument. The possibilities are endless! Most importantly, we want you to have fun with your homework and to be creative. If you have any other questions that you would like to explore that are not on the list, go for it! We are excited to see what you can come up with! If you want to upload anything on to SEESAW instead of bringing this in, let your class teacher know!
