**First piece: 03.10.25**

**Second piece: 10.10.25**

**Third piece: 17.10.25**

For your creative homework, we invite you to explore some of the questions below and present it to your class in whatever form you choose. For example, ***'Can any fictional story be written as a play?'***

For this, you might choose your favourite story and have a go at writing it as a play; or you might want to research a range of stories that have been written as plays and show them to your class as a PowerPoint. You might even want to act out a scene from a play that you have created! The possibilities are endless but most importantly, we want you to have fun with your homework and to be creative. If you have any other questions that you would like to explore that are not on the list, go for it! We are excited to see what you can come up with!
