For your creative homework, we invite you to explore some of the questions below and present it to your class in whatever form you choose. For example, ***'What do you think have been the greatest inventions of all time?'***

For this, you might choose to share your thoughts with the class through a PowerPoint, or maybe by creating a website on Google sites, as you now know how to do this! You might want to educate others on your thoughts and opinions by creating fact files. Whatever you choose – make it creative and have fun!
