

PROVIDENCE
AMITY WAY
SOUTH RIPLEY

2nd Saturday
of the Month

WELCOME

Arrive via Harmony Crescent, South Ripley. Enter the bottom carpark, onto the grass - we need to enter here and exit along the path prior to the cricket field - you will exit to the road & then park. Refer to Map supplied

Wait to be directed to your site. Be patient, be mindful of others & work together. Vehicles driven in must have their hazards on, both front windows down & radio off, hi vis on, you are entering a safe workplace.

The procedure is to unpack your stock from your vehicle, remove your vehicle & then set up. Do not set up from your vehicle.

Once unloaded, park your vehicle off site in the grass area near toilet block or along adjacent streets. Do not park in bitumen carpark - keep free for your customers.

Departing - Pack down all your stock to back of stall space first, prior to bringing your vehicle in. Enter the same way as you arrived.

If there are still visitors at our market, I may delay vehicle entry until safe.

I'm here! I am at the market from start to finish, I want to manage our market & help grow your business.
