Title: The Rhythm of Gathering Together Part 1

Passage: Hebrews 10:19-25

Pastor Tom Yoon

January 10, 2026

Outline:

How can we serve God in the strength of Christ?

1. Rest in the finished work of Christ.

2. Draw near to the presence of God.

 a. With a true heart.

 b. With full assurance of faith.

 c. With a clear conscience.

3. Hold fast to the hope we have in Christ.

Questions:

1. What stood out to you most from this week's sermon, and why?

2. When you think about serving God, what most often drains you: disappointment, hurt, exhaustion, insecurity, or guilt? Which of these resonated most with you from the sermon, and why?

3. Hebrews 10 says we have confidence to enter God's presence because of Jesus' blood. What does "confidence" in God's presence look like in your daily life? Not just in theory, but in practice?

4. The sermon emphasized that strength comes not from trying harder, but from drawing nearer. What currently pulls you away from intentionally drawing near to God's presence? What would it look like to reorder your rhythms to seek Him more deliberately?

5. The sermon contrasted *full assurance of faith* with questioning or doubting God's Word. Where do you find it hardest to trust God's Word right now—especially when obedience feels costly or change feels slow?

6. A clear conscience is not about emotion, but belief in Christ's forgiveness. Are there sins, failures, or past regrets that still quietly shape how you approach God or serve others? What would it mean to truly believe you are fully forgiven?

7. Hebrews 10:23 reminds us to hold fast to hope because God is faithful. How does future-focused hope change the way you serve today?

8. Looking ahead, what is one concrete step you can take this week to serve in the strength of Christ rather than your own strength?

9. Do you have any other comments or questions regarding this passage?
