Steve Holler
Fleet Captain

We are writing this letter to you in the hope you will consider making a donation, however small, toward sponsoring the **68th Annual Disabled Veterans Day Outing**.

For the past 67 years, Harvey's Saltwater Fishing Club (H.S.F.C.) with the help of many local community members, have provided a half day of fishing by a specially prepared delicious catered meal, (with entertainment), to over 200 disabled veterans most of whom are from local area Veteran's Hospitals and outreach programs. On arrival each vet is presented with a goodie bag which contains among other things a commemorative T-Shirt and hat. Coffee, tea and donuts are provided by the Salvation Army in the morning, soda, juice and bottled water are available all day. Added to this are many other expenses. To make this day possible a great deal of fundraising is necessary as is an enormous physical effort from the local community volunteers.

Over 20 commercial lobstermen sacrifice a day of fishing to provide the boats and crews necessary for the event and over 100 volunteers take a day off work to provide the "muscle power" needed to get the disabled vets on/off the boats, bearing in mind many of the vets are wheelchair confined. In addition to this a multitude of unnoticed "behind the scenes" tasks going on all day.

All proceeds from this fundraising will go directly to make the "Vets Day Outing" possible. We will be extremely grateful for any contribution you can make. We feel it is a noble way to thank and honor those vets, who were disabled in their service to their and our country.

If you have any questions, please do not hesitate to call me at (617) 279-9634.
Thank you in advance for your consideration.

Tina Lyons
