Reports of Executive Board

- President – Kevin Robinson

Thank you to everyone for patience and help with Saturdays games. Reminder about sportsmanship all around the community. We have to follow KUYFC bylaws as well as our BBFC bylaws. Reminder to stay off social media, if any questions or concerns please reach out to the board. Great way to start the season! Looking into the Falcon camera that tracks the players and ball to record.

- Vice President Football – Nick Agnetti

Great start to the first week and thanks to everyone being flexible with all the weather delays. We need to set the standard for the program and this is a kids league. Present yourself appropriately with sportsmanship.

Added to the spreadsheet for ref fees (owes treasurer receipts)

All schedules on the KUYFC website.

2 with no contest - working with the league to get those in to make the amount of games fair - still working on this as a league.

- Vice President of Cheer – Mike Traicoff

Thank you board! All good with the cheer side, we have been flexible with changes to practice location changes. We had the Detroit Lions cheerleaders come and show us dances and each level shared too. Our community needs to remember that we have league bylaws to follow. We need to stand as a community and understand that we have to follow all those bylaws.

- Secretary – Stephanie Carroll

No updates

Professional photographer pictures to come on social media

- Treasurer – Lindsay Dorgan

Bulldog Bash wasn't a fundraiser but a give back to the community. It was great because we had over \$6,000 in sponsorship but lost about \$7,000. Waiting on a few food trucks give backs. But it was ok because it was an awesome event.

Because of the weather we didn't make as much on week 1 of about \$355. People can do cash or Zeffy, possibly getting rid of Venmo. The spreadsheet can be shared if needed. Board asked about looking into the Falcon camera that tracks the players and ball to record.
