Moving Day

- ☐ Dress comfortably and keep your essentials bag with you.
- ☐ Do a final walkthrough: closets, cabinets, storage areas, garage, attic, and basement.

Packing Tips to Remember

- 💡 **Heavy items in small boxes** (books, tools, canned goods)
- 💡 **Light items in large boxes** (linens, pillows, lampshades)
- 💡 **Pack heavier items at bottom**, lighter on top
- 💡 **No box over 50 pounds** (if you can't lift it comfortably, it's too heavy)
- 💡 **Fill empty spaces** to prevent shifting
- 💡 **Take photos of electronics** before disconnecting
- 💡 **Pack plates vertically like records with padding**
- 💡 **Use suitcases for heavy items** (they're designed for it!)
- 💡 **Don't empty drawers with light items** (secure with stretch wrap)
- 💡 **Keep cleaning supplies separate** for final clean
