Player Pathways

Regardless of a child's age, ability or financial status, we will find a place for them to play. That goes for a 16-year-old with dreams of playing professionally to a 4-year-old kicking a ball for the first time. As your player grows in ability and interest, he or she can move through the Mighty Mites, Recreation, Select and Competitive programs. And if they still aren't challenged enough, we can get them opportunities to play outside of Virginia and into college.

Rush Core Values

Please find more info on
www.varush.com

Accountability: Be accountable for your actions and hold others accountable for their actions. Who am I ultimately accountable to, and who judges my work?

Advice: Seek out advice and aspire to be the best. In order to learn, we must be open to learning and consider the advice of others. Are you coach-able?

Empathy: Empathy is at the core of solid relationships.

Enjoyment: Enjoy your work, this is a gift. The desires of diligent workers are satisfied.

Humility: Apologize when you make a mistake. Forgive others and do not look back.

Leadership: Leaders strive to be trustworthy, honest and sincere. They are willing to serve others and sacrifice their own interests.

Passion: Passion always trusts, always hopes and always perseveres. Passion never fails.

Respect: Respect everyone. Respect the opponent, the rules, your colleagues, your superiors and subordinates. Be thoughtful and considerate.

Safety: Our environment is safe. Safety is not only physical safety from harm, but safety from ridicule and attack.

Tenacity: To be successful, persevere.... persevere but do not be anxious. Fear no one. Be strong and courageous. Work when no one else is looking.

Unity: Together all things are possible. When your teammates are down, bear each other's burdens; conversely, celebrate your teammate's successes.

VIRGINIA RUSH ADVANCED

The Virginia Rush Advanced program (Rec plus) offers soccer programming for age groups U9 through U19 boys and girls. The Advanced program is offered to players who seek a level of play between recreational and competitive. Teams are formed through an open onsite player placement process. Teams, coached by a volunteer coaching staff, are formed in June remain together for one year (fall and spring seasons). Players and teams can be added in the spring season through the Spring player placement process depending upon roster space. New teams can be added in the spring. The primary focus of the Advanced program is to offer age-appropriate training and games in the Tidewater Advanced Soccer League (TASL). TASL offers competition at all levels of recreational youth soccer for boys and girls. Participation in TASL is extended to all clubs affiliated with the United States Soccer Federation (US Soccer) in the Hampton Roads area.

The Advanced program groups children according to the US Youth Soccer (USYS) age group structure and TASL guidelines. Players U9-U12, participate in “small-sided” games, which enables players to have more active participation and time on the ball. Players U13-U19 participate in the 11v11 game format, which allows these players to receive the most realistic view of the game.
