The Rush Way

The Rush Way is the embodiment of all that is Rush Soccer. This not only entails what we do and how we do it, but the culture and standard that defines who we are as a Club. It is the rules and manner in which Rush members hold themselves and how they expect other Rush members to conduct themselves. The Rush Way encourages passion, leadership, respect and above all, quality. This standard is evident in how administrative organization is handled, the way our coaches instruct their players, and how the players and parents conduct themselves on and off the field. The Rush Way provides a system that supports the most efficient development of our players from the time they join the Club to the time they graduate.

The Rush Way to Play is based upon movement and activity by both player and ball. Possession-oriented does not fully describe how we play; attack-oriented does. Whether in possession or in defense, we are attacking. Rush Players play with freedom yet understand the importance of responsibility and the balance between the two. Rush teams are flexible and adapt to varying circumstances. The Rush Way to Play represents both passion and purpose.

Our club mantra is: “ Where the trails of passion and purpose meet, begins the path to victory ”

Virginia Rush Player Pathway

Regardless of a child's age, ability or financial status, we will find a place for them to play. That goes for a 16-year-old with dreams of playing professionally to a 4-year-old kicking a ball for the first time.

As your player grows in ability and interest, he or she can move through the Mighty Mites, Recreation, Select and Competitive programs. And if they still aren't challenged enough, we can get them opportunities to play outside of Virginia and into college.

www.varush.com

Accountability: Be accountable for your actions and hold others accountable for their actions. Who am I ultimately accountable to, and who judges my work?

Advice: Seek out advice and aspire to be the best. In order to learn, we must be open to learning and consider the advice of others. Are you coach-able?

Empathy: Empathy is at the core of solid relationships.

Enjoyment: Enjoy your work, this is a gift. The desires of diligent workers are satisfied.

Humility: Apologize when you make a mistake. Forgive others and do not look back.

Leadership: Leaders strive to be trustworthy, honest and sincere. They are willing to serve others and sacrifice their own interests.

Passion: Passion always trusts, always hopes and always perseveres. Passion never fails.

Respect: Respect everyone. Respect the opponent, the rules, your colleagues, your superiors and subordinates. Be thoughtful and considerate.

Safety: Our environment is safe. Safety is not only physical safety from harm, but safety from ridicule and attack.

Tenacity: To be successful, persevere.... persevere but do not be anxious. Fear no one. Be strong and courageous. Work when no one else is looking.

Unity: Together all things are possible. When your teammates are down, bear each other's burdens; conversely, celebrate your teammate's successes.

FOR COMPETITIVE PLAYERS U15-U19

The College Advisory Program (CAP) provides high school age players and their parents with an introduction to the college recruiting, scholarship, financial support, and selection process. This process can be bewildering at times and the intent of the CAP is to offer factual advice and assist in every way possible. The Rush Soccer Club staff will provide guidance but, **will not do those tasks that the player and parents can and must do for themselves.**

The program includes the following services to participants:

Individual consultations and assistance related to letter writing, resume writing, college coach contacts, test prep, specific player and family issues, and other assistance such as financial planning.

Specific information seminars providing high school grade appropriate information.

Rush Soccer has more than 150 College Coaches working for Rush Organizations throughout the country.
