ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

The serious disciplie howes the necessity and value of discipline. Thinking of discipline as something punitive in nature, we underscore its place in our spiritual lives. Discipline is really about a radicular trust in God and his guidance. "When you are conducted by a guide who takes you through an unknown country at night across fields where there are no tracks, by his own skill, asking no advice from anyone, dying no his plans, what choice do you have but to give yourself completely to his guidance? If you are corvinced that he is a good guide, you must have falth in him and abandon yourself to his care (Jean-Pierre de Caussade)."

"What Grid does is essentially."

"What Grid does is essentially."

"What God does is essentially good it does not need to be reformed or controlled. If you would live according to the Gospels, give yourself completely and simply to the action of God (Jean-Pierre de Caussade)." Submission to the holy will of God is not a submission to a set of pre-ordained set of circumstances.

#### SHARING THE GOSPEL

SHARING THE GOSPEL If God is happy with you, do not worry when others are unhappy with you. Be filled with God's spirit. Do the right thing even if no one else does. Be the only one who does not hit the boy down the street. Be the only one to share your toys with your cousin. Be the only one to pick up trash around your neighborhood. Doing the right thing helps God recognize you at heaven's gate.

Lord, thank you for being happy with me

#### MISSION FOR THE WEEK

I will choose to do the right thing, even if no one else does.

### HOW CAN I PRACTICE GRATITUDE IN MY EVERYDAY

God has given each of us many blessings God has given each of us many blessings. Fostering an "attitude of gratitude" might be easier than you think. Simple, concrete practices can help us to be more thankful more often. Incorporate it into your dinner with your spouse, or as you tuck the kids into bed at night. "What are three things you're thankful for today?" Make a habit of writing one note a week to someone special in your life, thanking them for how they've impacted you. This is also a good practice in practice in the state of the control of the control of the impacted you. This is also a good practice in a control of the control of the control of the impacted you. in your life, thanking them for how they've impacted you. This is also a good practice in the workplace. Consider opening your weekly meetings with a quick round of gratitude sharing. "I'm grateful John heliped me with that last-minute change to my presentation last week. I wouldn't have finished it in time for the meeting without him."

ONCE YOU **BEGIN TO** BELIEVE THERE IS HELP 'OUT THERE.' YOU WILL KNOW IT TO

Another way is to designate a few minutes to thank God. This could be the first bit of your daily prayer time or after you receive communion on Sundays. You can also integrate it into your daily routine. How about while brushing your teeth? There's probably nothing so important it can't wait two minutes. Brush your teeth, quiet your mind, and thank God from your heart for His blessings throughout the day. Get creative! Any moment is an opportunity to praise and thank God.
