Assisting Churches with Deaf & Hearing Ministries Nationally & Internationally

April 9, 2026

Dear faithful co-laborers in the Gospel ministry,

We want to begin by conveying our gratitude to each of you that have continued to partner with us through the years. Because you have been faithful in “holding the ropes” for us in prayer and financial support, we have seen God do some wonderful things.

Our travels over the first part of the year have taken us to Georgia, Alabama, Tennessee, Maryland, Virginia, and Ohio. We have had the privilege of reporting to some of our supporting churches, as well as being able to present our ministry in a new church. It is such a blessing to walk into a church and be greeted by someone that says, “I pray for you every day.” It is humbling, but also extremely encouraging to us.

We had the opportunity to be able to share our ministry at Ambassador Baptist College in Lattimore, NC. We were there for two days to talk with students about joining us for our “Connect With The Deaf” mission trip to Brazil July 23rd through August 4th. We are looking forward to taking a group of young people to see the need for more laborers among the Deaf. We are asking God to send some men that will plant and pastor new churches among the Deaf. We need couples, families, single ladies, and single men. We need anyone with a heart for souls and the Deaf to see the need! We are praying that their “eye will affect their heart!”

If anyone in your church has a heart for missions, please consider sending them with us on this trip. The cutoff date for signing up for this trip is June 23rd. There are a limited number of spaces still available. Please pray about this opportunity of visiting the Deaf in Brazil, and seeing the need for more laborers in this largely unreached people group.

Our schedule is pretty full through mid-October, so if you would like us to visit your church and give an update and report on our ministry, please contact me as soon as possible. I can be reached via email at danbennett@bimi.org, or by phone at (839) 235-7349.
