"...The harvest truly is great, but the labourers are few: Pray ye therefore the Lord of the harvest, that he would send forth labourers..." Luke 10:1-2

45 years ago I trusted Jesus Christ as my Saviour! Who knows what a mess my life would be in if not for the Lord! I sure am thankful for the grace of God!

Many tens of thousands of Scriptures have been distributed recently! Together with the help of people in our church and the ministry of Wings Bearing Precious Seed, we've been able to sow the seed of the Word of God. It's amazing to think of how many people have had some part: people who gave for the printing of Scriptures, seniors who volunteered many hours collating the John & Romans, people who prepared the shipments, those who spent many hours passing out the Scriptures, those people young and old who put John & Romans in bags with church postcards and prepared them for delivery in our city to be hung on doorknobs of the homes in our city... this only scratches the surface... it's amazing how many people have some significant part in helping to get the precious Word of God into the hands and homes of people! Thank you to every one who had a part.

In a couple weeks, we will have another small group from a church in Michigan that will come and help us with Scripture distribution. Pray for eternal fruit from the efforts being made this summer.

In the last few weeks, we've seen new visitors in church as the LORD of the harvest rewards the efforts of His people. Recent guests in church were from South Africa, Jamaica, China, Iran, Cameroon, Ghana, etc.

In the midst of very busy days, my wife Rachel and I celebrated 27 years of marriage. We got to drive around together and have a progressive dinner.

Please continue to pray for our church building fund and for the LORD to provide a space of our own where the church ministry could continue to grow and multiply and really do more to help families.

I'm quite "driven" and I've been running at a pretty high pace this summer seeking to keep up with biblical soul winning and discipleship, scripture distribution, preaching and teaching, church planting, trying to help people, and so on. Please pray for strength and power from God to do what He would want me to do.

Thanks for believing in us and investing in God's work,
