Our Goals: making Christ known, winning the lost, discipling and edifying believers, living for God's glory, planting/strengthening churches, and helping our missionaries

"...The harvest truly is great, but the labourers are few: Pray ye therefore the Lord of the harvest, that he would send forth labourers..." Luke 10:1-2

95,500 *John & Romans* were donated for use in our ministry. Over 65,000 were distributed house-to-house in June and July. As we sow the Seed of the precious Word of God, pray for there to be much eternal fruit! If you would have any interest in bringing a group to help distribute Scriptures this year or next, please contact me right away. We're so thankful for those groups who have helped us already! All glory to God!

Recently, we were privileged to be the host church for a regional youth rally. Pray with me for there to a generation of Canadian youth who will love the LORD with all their heart!

In recent months, I've been having a breakfast and Timothy Club meeting with about 10-12 men and boys from our church. We're studying the Book of Timothy together and I'm trying to help these faithful ones to study the Word of God and to be capable of teaching it to others also. It's a worthwhile effort.

Recently, I was able to have a young couple over to our home for a meal and Bible study. Pray for me as I continue to seek to witness to Anthony and Sarah. I was also able to sit down with a Chinese lady named Vanessa to thoroughly share with her the gospel and help her to nail down the matter of salvation. I've met with a Chinese man named Jeff for about 40 weeks of discipleship, and most recently I've been taking him through a Bible study that I want him to use to try to lead his unsaved wife and friends to the true way of salvation. Pray especially for Jeff's wife named Katherine to be saved. I've met several times with an Italian man named Vince for discipleship; please pray for the salvation of Vince's wife named Monica. Many Tuesday afternoons, I've had a group of people join me on Zoom for discipleship lessons. There's much work to do here in the Toronto area. There's a great need here in Canada for consecrated labourers! Some friends and I are praying for at least 100 consecrated labourers. I'm praying specifically for many to co-labour with us in ministry in the Toronto area and also for us to be able to mentor some men and then help some families in planting more new churches. There's so much potential but we need prayer warriors, financial investors, and co-labourers to partner with me and to multiply the effectiveness in the ministry.

The Spanish work is slow in growing for a number of reasons, but it's so exciting that several Hispanic people have been led to Christ by Ricardo Conte. Pray for a strong Spanish church with maturing believers to be established.

After delays relating to redrawing property lines and other things, a church building in our area is now officially listed for sale. Their attitude is one of looking for the highest bidder, but we're still fasting and praying for a miracle and asking God to do the impossible as we prepare our best offer. I know that Chinese and Korean churches have offered far more money than we can, but the LORD knows our need and we trust Him to provide what we need.

Money provides financial support to the missionary. Prayer provides spiritual support. Communication provides emotional support. Missionaries need all three! We're grateful for those "supporting" us! We need more "supporters."
