1 Thessalonians 5:25 Brethren, pray for us.

July and August

What a great couple of months we had. July started out with us in Missouri. Before leaving we got to work on Mary's dad's house saving him money on soffit and fascia. We also got to hold a new grandbaby, and see a grown granddaughter get married.

July 18th found us in Russellville Arkansas assisting Charity Baptist Church with a remodel project. We got a lot of help with the project from Pastor Hett and other men in the church, my daily work companion was Gary Cobb, my Christian brother and new friend. We disassembled existing walls and rebuilt them incorporating five classrooms into the front part of the building and a sanctuary with platform and Baptistry area into the rear part of the building. While working in Russellville, we returned to Missouri for me to get a CT scan. On July 28th my cancer Doctor gave me a clean bill of health concerning my chronic lymphocytic leukemia and I am now on three month follow ups to watch for any reoccurrence.

Before leaving Russellville, we were able to spend a couple of church services with our church family at Liberty Baptist Church and meet their new Pastor, Colt Foster.

We went back home for a long weekend and then over to Arnold Missouri on August 25th. While there we helped Arnold Baptist Tabernacle with remodeling a room to use for a printing ministry. We hung sheet rock, mudded and taped, painted, and laid carpet squares. We worked beside Pastor Ed Decker and his wife Melody who were also gracious hosts during our short stay there.

The 2nd of September found us on the road again headed to Summersville West Virginia. What a great couple of months we had.

OUR FUTURE PLANS: we will stay at Summersville till our Focus on America Home Missions Conference in October.
