NOW AT 82% SUPPORT

This past month was a month of blessings for the Barber family. Megan delivered our fifth child, Melody. She was born on March 30th weighing in at 8 lbs 7 oz; our largest baby yet. Please pray for Megan as she is experiencing some post-partum health complications related to blood pressure and heart rhythm.

Additionally, we have secured a meeting place in Nashville with a 6 month contract. Our grand opening date is set and we are preparing for "Operation Go."

Operation Go is an outreach campaign designed to invite the community to our grand opening. It is broken down into two phases - Fall and Spring. Many churches and individuals have expressed interest in helping us with boots on the ground - this is your opportunity!

This mission opportunity will take place on Saturdays, from about 9am-2pm. It will begin with a short time of prayer and organized canvassing, followed by a meeting for lunch and group prayer.

You may be wondering what you can do to help. First, we ask that you pray for God to move during our grand opening. Second, consider contributing to our start-up fund. We are now at 62% of our start-up fund goal. For more information concerning this fund and where to send contributions, please email me. A poster for Operation Go is attached.
