

Dear Pastors and
Supporting Churches,

a good crowd, and we saw a husband and wife get saved. Glory Hallelujah! They have three young daughters.

We moved to Philly full-time by faith on May 14. We arrived at 4:30 p.m. and received an offer on our home by 6:30 p.m. the same day. It went under contract. Glory to His name!

This past Sunday we had return visitors and first-time visitors in all three services. God is working! We stayed in a hotel for a month and a half until our home was available. We just moved in last week and are now waiting on beds and furniture to arrive next week. Praise the Lord!

We had tracts made entitled "How God Was in the Founding of Temple University." We went soul-winning at Temple University in North Philly and saw a lady get saved. Praise the Lord! Our plan is to visit the different colleges in Philly once school starts and spread the gospel of Jesus Christ.

We went street preaching at the World Cup game between Croatia and Ghana and preached the gospel to thousands of people. Preach the gospel to every creature!

People from Elizabeth City, North Carolina, and Baltimore, Maryland, joined us for soul-winning during our Revival from June 15-19. My pastor Clenton Patterson spent five days with us in Philly for the Revival and was here at the grand opening.

We are celebrating our nation's 250th birthday this coming 4th of July, and it all started here in Philly. We will be street preaching downtown on the 4th.

That week we saw six people saved. Glory Hallelujah!

The Major League Baseball All-Star Game will be here in Philly in a couple of weeks, and we will preach the gospel at that big event in South Philly too.

The Lord blessed our first Revival, called "The Philly Preachers Revival." Liberty Baptist Church in Philly, where Burton Gates is pastor, took us on for monthly support. Bible Baptist Church in Salt Lake City, Utah, where Josh Warneke is pastor, also took us on for support. Thank you Jesus!

Philly is a mission field in itself, with people from all over the world living in the City of Brotherly Love. We have seen 10 people saved so far. God loves sinners!

Church planting is very costly and time-consuming. Please keep my family and me in your prayers.

We had our grand opening on June 21st,
Father's Day. The Lord blessed us with

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.
