Brethren what a blessing this is to our heart. Youth camp with 70-80 kids in attendance. The gospel and discipleship being presented and godly life values being taught. Yes Sir youth camp is worth all the work. Souls saved and lives changed.

We began our building program in March of 2025 and look at what the Lord has allowed us to accomplish in these few months. I want to publicly acknowledge Pastor Teddy Getachew, Fisseha, Brother Teshalle, brother Melcomo and others for their hard work and faithfulness to our Bethel Bible Baptist Church in Sebeta. May our Lords blessing and protection be upon each of you.

Brethren we need to finish strong and on time. Will you consider a Thanksgiving offering for finishing this new church h building in Sebeta? The Lord has blessed us so much. Reminds me of baptisms in cold rivers. Teddy and I would go in first and then say 'come on in the water is fine'. People would shiver and complain for a bit and then shout hallelujah as they come up gasping for air and praising the Lord. So what's the moral brother Ray? Step in the water, shiver a bit if you have to, give what you can and come up shouting 'glory hallelujah let's do another one'.

Eight precious godly people are preparing to come to Ethiopia in October and November. I know each of them and they are fine Christians who want to serve their Lord. I am very proud to welcome them to Ethiopia. Perhaps your church would be interested in a mission trip to Ethiopia. No it's not Hawaii,

Spain or other vacation spots but if you want to serve the Lord and really get into missions, we are ready to pray and talk to you.

Listening for the SHOUT!!!!
