Brethren, I returned to the US on May 27th and found out how many things were on my "honey do" list. There were so many that it made me tired and I had to take a nap. Only kidding.

Our local pastor, Brother T., had a scare from the OLF. They kidnapped his mother and father-in-law and of course demanded ransom. Praise God that ransom was paid and they are released. Please pray for others who are being held or killed in these horrible events.

There is good news though, we have had nine people saved since I returned and they will be ready for baptism soon. I thank the Lord that under the leadership of Brother Teddy and others, each of our branch churches are doing well. It's great to have good, mature men in place and moving the ministry forward.

Our Manna ministry is helped and supported by good churches. I would like to thank the Beacon Baptist church for their prayers and support for our Manna center in Legetafo and also the Rock Harbor church for their prayers and support for the Manna center in Sebeta. God bless you both. We now have more than 75 children that we feed and serve three times each week. P. T. L.

Teddy and Pastor Dwayne were headed to Sebeta for a very important Manna meeting when our dependable Toyota van broke down. The stations are putting water in the fuel. Of course that can be devastating on the engine and fuel components. If anyone would like to help us with this need it would be greatly appreciated - Thank you.

We have good news from Awash, the young evangelists are out soul winning and the churches are growing both numerically and spiritually. I am so grateful. We train our local pastors 3-4 times a year. This gives us a good communication and encouragement with them. That is so important.

Brethren, I am available this summer and I would be very pleased to visit your church if you would want that. I will be leaving in October to go back to Ethiopia. Contact me at 860 617 7430.
