Anniversary: 06/18

**Our Schedule:**  
**October – NC, SC, MO**  
**November – NC**  
**December – NC**  
**January – OK, WI, IA, MO**

God gave us a busy month in September. We were blessed to be able to present in seventeen churches this month.

We started the month having four scheduled meetings in North Carolina. One of which forgot they had scheduled with us. They told us we were more than welcome to come still, but they couldn't afford any new missionaries. After seeking God's will we decided to not go, but instead to drop in on the church that was gracious in letting us use their prophets chamber for our time there. You may already know where this story is headed, because it's been so regular for God to do this for us on deputation.

Even though we weren't scheduled to be there, Pastor Charles Snow at Chapel Street Baptist Church in Landis, NC gave me the opportunity to present and preach and at the end of the service took a vote to take us on for support! Praise God for His repeated miracles in our lives. Though we don't deserve even one of His miracles, He pours them out to us because of how good He is.

Praise the Lord, while we were in Landis we were able to knock doors and my wife was able to lead Nehemiah to the Lord.

From North Carolina, we drove to Michigan for a Round Robin Missions Conference. In two weeks we were blessed to be able to present at ten different churches all in Michigan.

From Michigan we were blessed to get to spend a mission's day in Ohio, a missions conference in West Virginia, and back in North Carolina by the end of the month.

Every church took great care of us and it was a blessing to get to be at each one of them.

***Genesis 15:6, "And he believed in the LORD; and he counted it to him for righteousness."***
