

# New Testament Church Planting

A Ministry of Wilson Creek Baptist Church

Newsletter from Karl and Mary Badalian

1 Thessalonians 5:25 Brethren, pray for us.

## January and February

The first of January found us in Thomaston, Georgia helping Pastor Josh Shannon and the folks at Twin Oaks Baptist Tabernacle remodel their existing church facility. Mary and I met up with Donald and Trisha Cain and Steve and Deborah Worrell who arrived before us and had already installed a bunch of LED lighting in place of old fluorescent fixtures. We remodeled two bathrooms removing the old paneling and installing new sheet rock and flooring also we did some painting and installed an exterior door on the second floor.

From Thomaston Mary and I traveled with the Cains to Vidalia Georgia and help Pastor Davis at Bible Baptist Church. We remove the old sheet rock from the Baptistry area, put up new sheet rock, and finished and painted the area. We also were able to replace some old fluorescent lights in the kitchen with some nice LED lighting that we found at a great price.

Our next stop was High Springs Florida, where we were able to help Victory Springs Independent Baptist Church by hanging sheet rock in the auditorium of their new building. After several years in the building process, they should be able to occupy by Independence Day. What a blessing it will be for that growing Church family to leave the store front behind and have a place to call home.

Toward the end of February, we made a trip from Florida to Texas to visit my sister, Andrea, before she died. A little over a year ago, she was diagnosed with stage four uterine cancer. The Lord was gracious to give her some extra time but took her home on February 26. She was my only sibling, but I am happy to know we get to spend eternity together in heaven.

**Future plans: To head a little farther south to Inverness Florida and help the folks at Bethel Baptist Church with replacing a deteriorating ramp and stairs on their fellowship building.**
