Dear Bretheren,

I wanted to share a brief video update and let you know what the Lord is doing.

We recently had the joy of baptizing fifteen new believers, and we praise the Lord for each one. The church building in Sebiti is also almost finished and is already being used for baptisms, services, and ministry needs. We are praying it will be completed soon and that a Manna feeding program can begin there shortly.

I also share an update on the work in Awash, where we already have two churches and are praying about starting four more in strategic locations. One church is preparing to put in a cement floor and will seat more than two hundred people when finished.

Please continue to pray for Wanda as she deals with health challenges related to diabetes. Thank you for your faithful prayers and support.

Please watch the video to hear more and see what God is doing.

God bless you,
Brother Ray
