Assisting Churches with **Deaf & Hearing Ministries** Nationally & Internationally

July 9, 2026

Dear faithful partners in the Gospel,

It's hard to believe that half of 2026 is gone. We have been busy visiting churches and sharing the ministry with some of our supporting churches, as well as with some new churches that have never met a "missionary to the Deaf" before. God is working, and we praise Him for the opportunities that He has given to us to serve Him in the often-overlooked Deaf harvest fields.

Our travels have taken us from South Carolina, Kentucky, Ohio, Rhode Island, Connecticut, Iowa and California. Last month, Dan was invited to be the missionary preacher at the South Iowa Bible Camp in Chariton, Iowa. It was a lot of fun, but it was a special blessing to see teens and juniors memorize Scripture and respond to the invitations. There were many spiritual decisions made, and four young people made professions of faith. Glory, hallelujah!

Dan was able to visit five churches while in Iowa, and four for the first time. It was wonderful to meet some new pastors that have been standing firm in the faith for many years. They are doing a great work, and Dan was encouraged and blessed to be able to present our ministry for the first time in those churches.

We leave July 23rd through August 4th for our first "Connect With The Deaf" mission trip to Brazil!

We are looking forward to taking this group to the state of São Paulo, Brazil to see the need for more laborers among the Deaf. We are asking God to do great things with us and through us as we visit four deaf churches in four different cities, hand out lots of John and Romans, sing, teach, preach, and whatever else the missionaries would like us to do. We want to be a blessing however we can. We are praying for those in our group, that their "eye will affect their heart!" Our next prayer letter will give a report of this Connect with the Deaf trip.

Please continue to pray for us as we present the need for more full-time laborers among the Deaf in churches and Bible Colleges. Our schedule is pretty full through the end of October as we will be in Tennessee, Arkansas, Texas, Florida, Georgia and Illinois.

If you would like us to visit your church and give an update and report on our ministry, please contact us as soon as possible. We are already scheduling meetings for 2027. We can be reached via email at danbennett@bimi.org, or by phone at (839) 235-7349.

That ALL may "hear,"
