### December & January Report

Greetings in the name of our Lord and Saviour Jesus Christ. I hope everyone had a wonderful holiday season with friends and family. We had a great conclusion to 2025. I was privileged to preach at Crestwood Baptist Church for a Friday - Sunday meeting along with Pastor David Wood. We had two preachers each service and the Lord worked in many hearts. The fellowship was sweet and the kindness of Pastor Lewis, his dear family and the church was humbling. We look forward to what God will do in the coming days.

We had a great Thanksgiving with the girls and enjoyed their company for a few days. The ladies spent time going out together and at home we spent time putting puzzles together, as is our tradition. The last two girls moved into their apartment at the church and the other two are still at college.

The maintenance began on the truck and trailer and that kept me busy and sore for most of our time home. On the fifth wheel, I opened up under the nose to inspect for damage and praise the Lord there was none! I repaired the slide out again and found that it will need a major repair that I am unable to do. It will need a professional with an indoor facility to be done properly, please pray for wisdom, finances and scheduling to get it done. I had to do a little remodeling inside as well that came out well, praise the Lord! The hardest part was raising the suspension on the trailer so it would ride a little higher. This will help us with clearance on the truck bed as well as the ground for those hard to get into places. I was also able to repack the bearings at the same time. The truck got new tires, thanks to New Song Baptist Church in Lafayette, TN and I changed all the fluids to keep things running well.

Kristi and I are busy preparing to head out for a couple meetings in January. We leave in 10 days and I still have several days of work to do on the trailer before I can begin to get it packed up. We are praying for continued good weather to help make this possible. Thank you for all your prayers, financial support and faithfulness to our Lord.

Because of Calvary

Stephen & Kristi Perkins
