June Report

This month seemed to go by like a whirlwind! We spent over 85 hours in the truck traveling over 5,000 miles! It was exhausting and expensive but we are blessed! We finished in Pennsylvania and headed to Marion, KY to drop the fifth-wheel and pack for our trip with just the truck for Leah's graduation. We traveled to Rochester, NY and enjoyed a wonderful couple of days with all our girls. It was so nice to have everyone together even if it was short. We drove 24 hours straight through, with Leah's U-Haul trailer from Rochester, NY to Ocean Springs, MS, stopping only for food, fuel and restrooms. After a quick visit to our home church and unpacking Leah's things we drove straight back to Marion, KY to begin preaching their Faith Promise Missions Conference.

The conference was good with several preachers in the area attending although the church members were not as faithful as the Pastor had hoped. We did have a good service in the park on Saturday that was well attended. Kristi and I moved down to Lafayette, TN and New Song Baptist Church. We had great services on Wednesday and Sunday as well as a Friday evening men's and women's meeting where Kristi spoke to the ladies and I spoke to the men. This church has begun a new ministry called "Men of Virtue" and "Women of Virtue". It is always a blessing to this preacher to see churches opening up more avenues for discipleship. We were also able to enjoy Memorial Day with this dear church and our good friends. It was a blessing for Kristi and I to be able to enjoy the fellowship as we remembered those Americans that sacrificed all that we might enjoy the freedoms we hold dear. I am challenged to live and enjoy those freedoms in such a way that would make their sacrifice worth it.

After a quick stop in Union City, TN to preach Wednesday evening for Union City Baptist Temple, We headed to Wilson Creek Baptist Church where I taught teen Sunday school and preached Sunday morning before heading out to Jr. Camp on the 1st, which I will include in our next letter.
