### September Report

We were invited to Highland Baptist Church in Vass, NC and spent the first weekend of the month there. Kristi and I enjoyed the good fellowship with Pastor and Mrs. Vaughn and I was asked to preach each service on Sunday. The attendance was down some according to Pastor Vaughn but the Lord met with us and there was good liberty there.

Moving over to Landis, NC we parked at a supporting church, Chapel Street Baptist Church, for a week and a half. During that time, we rented a car and Kristi drove home to Mississippi for a doctor's appointment. Praise the Lord the appointment went well and Kristi's new medicine is helping. We praise the Lord also for keeping Kristi safe during her trip. While she was gone I went to a church we had never visited before, Walter's Grove Baptist Church in Lexington, NC, for a Wednesday evening service. Pastor Rutledge was very receptive and asked me to present our work to the church. It was a really good meeting overall and Pastor Rutledge invited us back in the future. We had a tremendous Sunday at Chapel Street Baptist Church. As one of our supporting churches it was a real joy to hear all the questions about specific prayer requests that we had put out. It's so encouraging to know that a church is praying for us! We had a nice time of fellowship with Pastor and Mrs. Snow. It's obvious to see that God is greatly using him there at Chapel Street.

It was also at Chapel Street that I began to get ill. Many of you know of the prayer request that we sent out. I had a major intestinal issue for 10 days and my white blood cell count was up to 22,500. The Dr. said that wasn't good and recommended a trip to the ER. At the ER the Dr. there said I was probably fine. So as usual, nobody knows what's wrong and I feel fine now. Praise the Lord! God answered prayers and I want to thank everyone for praying for me during that time specifically. I have some supplements I will be taking and redo my blood work in a month.

We also had a great Sunday at Little River Baptist Church and as always Pastor Hoyle, his family and the church were a blessing to us. We thank God for dear friends as these in the ministry.

Thank you for your prayers.

Because of Calvary

Stephen & Kristi Perkins
